

MURRAY BRIDGE SPECIAL SCHOOL

RESEARCH INTO ACTION

## We Want You!

### Have You Considered Joining School Council?

Murray Bridge Special School is guided by a School Council who work with the Principal and staff to support the running of the school.

Not being a 'Governing Council', our School Council has less direct responsibilities for supporting the school, rather acts in a consultative role, creatively brainstorming future directions for the school.

Beyond receiving updates on happenings in the school and offering school staff a parents perspective on activity or future plans, it is also a valuable opportunity for parents to understand more about options that are (or will become) available to their children.

By attending School Council meetings, many participants have gained valuable information not only about the school itself, but also about external organizations such as Government Departments, NDIS etc.

**Meetings are held once per term at school, usually on a Friday afternoon, 1.00pm to 2.30pm in week 6 of each Term.**

It is certainly not an onerous commitment with little 'work' outside of attending the meetings.

**We do encourage you to consider joining. If you are interested please jot a note in your child's communication diary and more information will be forwarded to you.**

**Thank you!!**
